Mercedes-Benz Classic Online Parts Search

Mercedes-Benz Classic continually produces parts for classic car series, in order to ensure the long-term availability of a full range of such parts. The parts portfolio comprises around 160,000 genuine parts. To render the availability of these genuine parts transparent to everyone, the Classic Online Parts Search has been established as a swift and simple means of presenting the availability of parts with their valid prices in Germany, promotion parts and newly produced parts in a clearly arranged manner. Once the user has found the part is looking for, it can be ordered from any authorised Mercedes-Benz service partner, as the Group's own sales and logistics network guarantees the swift supply of a comprehensive scope of parts worldwide. Or an online order can be done (only for deliveries to Germany). Take a look for yourself: www.mercedes-benz.com/classic-parts
